

## Merry Christmas from The Jones' 2009

We hope this newsletter finds you all happy, healthy, and well.

Well this year has been quite eventful for us as I'm sure it has been for you as well. We've both been blessed with family, friends, and jobs that we love and are thankful to have.

### The Wedding

I've always wanted a November wedding so this time around that's what I got and did it with the right person and the best partner I could ever ask for. It was a beautiful ceremony and reception. We owe that success to our wonderful family and friends like Matt & Betty Jones, Chris & Becca Baker, Rachel Doss, Heather Manning, Cameron & Maegan Berry, Jami Perkins, James & Carrie Hailey, Ashley Vincent, Derek Vaughn, Katrina Hall & Christian, Don & Julie Richer, Joey Elrod, Jennifer Jones, Jane Landrum, and Brittany Skelley. The day was sunny and just warm enough to be comfortable. It was a perfect day to get married. We honeymooned in the Eastern Caribbean for 7 days.

Neither of us had ever been on a cruise before so it was quite the new experience. Other than there being a few days where the waves were pretty rough because of hurricane Ida in the gulf coast it was perfect. We didn't take our laptops and barely even had a cell phone to use in case of an emergency. It was nice to "disconnect" for awhile and just be together.

### Our Newest Addition

In March we added a new addition to our furry children, Miss Lilly. She's a full blooded Shih-Tzu. Lilly keeps Jack on his toes and gives the cats a run for their money. She's full of energy and loves to cuddle. Yes, she is very spoiled!

We hope all of your Christmas wishes come true and that you have a healthy and prosperous new year. Take time to reflect and enjoy the little things in life. Spend as much time as you can with family and friends because we don't know what tomorrow will bring. Thank you all for being a part of our lives. God bless!!
